

What am I?

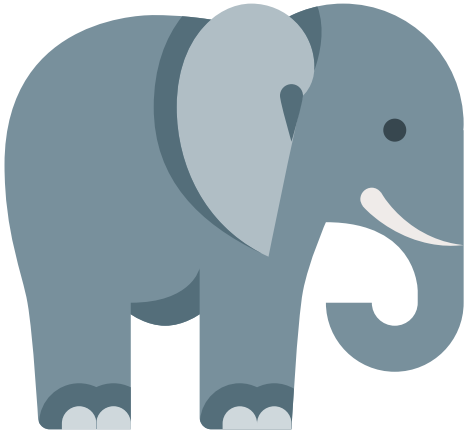

This fun game helps you practice using descriptive words, matching, and identification with your toddler!

Ways to Play

- 1. Use the clue cards to describe each animal and have little learners pick the matching picture.**
- 2. Use the picture cards to create your own descriptive clues and have little learners say the animal.**
- 3. Use the picture cards to have little learners act as the animal and make animal noises.**
- 4. Create your own version!**
